Monday, Oct 04

01:20 PM - 01:45 PM

Hot Topics - Open Discussion

Networking Session Access - <https://live.remco.co/e/atlantic-region-virtual-conferen>

This session will be an open discussion using the Remo platform. Conference attendees will choose a "hot topic" table and take part in small group discussions. Please log in via Chrome browser using the following link: <https://live.remco.co/e/atlantic-region-virtual-conferen> Remo Remo is a browser-based event platform that prioritizes social connections. Check out our Remo guide (above) and this tutorial video to save yourself some frustration when you first access a Remo-based event. We recommend reading in advance and doing a system check prior to logging-in. You will land at a random table when you first join the event. Don't worry – you ...

Monday, Oct 04
