

8:00 a.m. – 9:00 a.m. **Networking Breakfast**

9:00 a.m. – 9:05 a.m. **Opening Remarks**

Shelagh Maloney, CEO, Digital Health Canada

Danika St-Laurent, Muskowekwan First Nation, Saskatchewan | Cultural Worker & Community Advocate

9:05 a.m. – 10:00 a.m. **From Concept to Clinic: Implementing Innovation and AI into Clinical Practice**

How are clinicians driving innovation and shaping the use of AI in real-world healthcare settings? Panelists in this session will share both user and innovator perspectives that highlight how new technologies are improving workflows, enhancing patient care, and supporting clinical decision-making. Through success stories and lessons learned, this session will uncover how AI and innovation are transforming clinical practice.

Samuel Gareau-Lajoie, Family Physician, Consultant in AI & Digital Health, Vetted Medical

Alexandre Hudon, Psychiatrist and Clinical Researcher, Institut universitaire en santé mentale de Montréal

Scott McMillan, President-CEO, Le Groupe Cercle (Moderator)

10:00 a.m. – 10:30 a.m. **Networking Break**

10:30 a.m. – 11:25 a.m. **From Concept to Implementation**

New technologies are exciting and the outcomes can be compelling. However, implementation requires a thoughtful approach and a team effort. In this session, panelists will share implementation insights from real-world projects using new technologies to reduce administrative burden and improve care delivery. Expect an honest, experience-driven conversation on the challenges and lessons learned when designing, implementing, and scaling AI-driven projects.

Erin Cook, RN, MSN, Associate CEO, CIUSSS West-Central Montreal/Présidente Directrice Générale Adjointe, CIUSSS du Centre-Ouest-de-L'île-de-Montréal

Naomi Goldapple, SVP of Data & Intelligence, AlayaCare

Vincent Dumouchel, Managing Partner, Vetted Medical (Moderator)

11:25 a.m. – 11:30 a.m. **Closing Remarks**

Shelagh Maloney, CEO, Digital Health Canada
